Verse 1
             Dmai7
Shooting off vicious collections of words
                Dmai7
the losers make fact by the things they have heard
                                               | A6 A A6 | A7
and I find myself trying hard to defend them
Verse 2
         Dmaj7
I made decisions some right and some wrong
               Dmai7
and I let some love go I wish wasn't gone
                 Dmaj7
                                                          | A6 A A6 | A7
These things and more I wish I had not done, ba-da-da
Chorus
But I can't go back, and I don't want to
                                              D | Dmaj7 | G | G | A | A6 A A6 | A7
'cause all my mistakes they brought me to you
Verse 3
            Dmaj7
I have some friends they don't know who I am
              Dmaj7
so I write quotations around the word friends
             Dmai7
                                                           | A6 A A6 | A7
but I have a couple that have always been there for me
Verse 4
                   Dmaj7
And I missed some fun 'cause I worked through the dawn
               Dmaj7
Expecting your praise when I returned home
                                                             | A6 A A6 | A7
But I paid the cost 'cause I got left alone for the songs
```
