## Verse 1

**G**  
She keeps it simple and I  
am thankful for her kind of lovin' **C**  
'cause it's simple **G**  
**(G)**  
No longer do we wonder  
if we're together, we're way past that **C**  
and I've already asked her **G**  
So in January we're gettin' married **D C G**

## Verse 2

**(G)**  
She's talkin' to me with her  
voice down so low I barely hear her **C**  
**G**  
But I know what she's sayin'  
**(G)** **C**  
I understand because my heart  
and hers are the same **G**  
And in January we're gettin' married **D C G**

## Verse 3

**(G)**  
And I was sick with heartache  
and she was sick like Audrey Hepburn **C**  
when I met her **G**

But we would both surrender  
True love is not the kind of thing you **C**  
should turn down **G**  
Don't ever turn it down **Am C G**
