

Love Like the Movies

The Avett Brothers

Harmony

Chorus

So you ^G want to be in ^D love like the ^G movies
but in the ^(G) movies they're ^D not in ^G love at all
With a ^{Em} twinkle in their ^D eyes (*Ooh-wah-oooh*)
^{B7} they're just sayin' their ^C lines
so we ^G can't be in ^D love like the ^C movies ^D ^G

Verse 1

Now in the ^{B7} movies, they make it look so ^C perfect ^G
and in the ^{B7} background they're always playing the ^C right ^G song
and in the ^{B7} ending there's always a ^C resolution ^G
but real life is more than just ^{B7} ^C ^G ^D ^C two hours long

Chorus

So you ^G want to be in ^D love like the ^G movies
but in the ^(G) movies they're ^D not in ^G love at all
With a ^{Em} twinkle in their ^D eyes (*Ooh-wah-oooh*)
^{B7} they're just sayin' their ^C lines
so we ^G can't be in ^D love like the ^C movies ^D ^G

Verse 2

Well you can ^{B7} freeze frame any ^C moment from a ^G movie
Or run the ^{B7} whole damn thing ^C backwards from ^G reel to reel
But I don't see one ^{B7} single ^C solitary light ^G technician
Or one ^{B7} single ^C camera in this ^G ^D ^C moonlit field

Chorus

I don't want to be in love like the movies
'cause in the movies they're not in love at all
With a twinkle in their eyes (*Ooh-wah-oooh*)
they're just sayin' their lines
so we can't be in love like the movies
And with a twinkle in their eyes (*Ooh-wah-oooh*)
They're just sayin' their lines
and so we can't be in love like the movies
No---- we can't be in love like the movies
